Hi Tawanda:

Will you have any 24c content to add to the dicamba slidedeck today? I'll be sending Marietta the draft deck by COB. There's a space on what's currently slide 29 to put a summary of the 3 state 24c submissions we've received.

Dan K. and I made some edits yesterday. I've attached a static version of the latest deck, and the link on Teams is still good to see the live deck.

Thanks,  
Meg

Hi Tawanda:

Here is the link to the live slidedeck on MS Teams for the upcoming dicamba presentation to the DDs next Wednesday. I attached a static copy too. As I mentioned, I plan to send draft slides to Marietta on Friday and I could use your help on the 24c section of the presentation.

On a related note, does MUERB have a generic SLN presentation you could share for HB's reference? Either for this upcoming briefing or some other time, I'm sure we'll have to answer the question "what is a 24c anyway?" A 24c 101 presentation should have info that could be copied into any dicamba-specific talks we need to make.
